<b>Comments</b>	<input type="text" value="Dear Sir/Madam I wrote to the Council last year when the owners of No 51 were applying for temporary use of the house and garden for filming and had understood that the application had been refused by the Council. Also that there was an enforcement notice banning use of the site for filming. As I said in response to the previous application, I visit Kentish Lane regularly and I am surprised that the owners of the property persist in making these applications, this time for a permanent change of use as it has always resulted in considerable disruption when they have filmed in the past. This should be totally unacceptable in a residential area. Yours faithfully [REDACTED]"/>
