Comments	<input type="text" value="I strongly object to the building of 14 houses at Wells Farm which is in a high value green belt setting. It will set a precedent to enable the infilling of the field between Wells Farm and Cuffley and the land behind Wells Farm. The construction will also erode the mile or so of remaking green belt to the edge of Northaw. I also object to development onto Northaw Road East which will add to congestion."/>
