Application Number	6/2020/0284/FULL
Location	2-12 and 22-32 Briars Lane Hatfield AL10 8ER
Proposal	Installation of waste and recycling storage units
Case Officer	Ms Kirsty Shirley
Organisation	
Type of Comment	Objection
Type	neighbour
Comments	I have viewed the planed proposed waste bin storage units! (6/2020/0284/Full) and would like to object to this proposal as the area where it is suggested to be placed is in the grassed area at the back of the flats and is seen from the road and also is an area where the children of the flats play. This will only leave a very small area for them to play with the parents still being able to see them. [REDACTED]
