<b>Comments</b>	<input type="text" value="This application has shown no exceptional circumstances to justify and mitigate harm to the Green Belt in suggesting this development to be approved. The site, in its former uncleared condition, added to the beauty of the countryside and was a haven for the local wildlife. What a shame it has been turned into a horrible brown scar! Also, one extra dwelling is hardly significant against the stated need that is in excess of ten thousand for the Borough. This proposal will not provide any extra affordable homes which is one of the aims of the Local Plan. I object to this application and I urge you to refuse it."/>
