OS Buildings [grey box] Surveyed Buildings [yellow box]

This survey has been orientated / graphically fitted to the Ordnance Survey (O.S.) digital file. This is to show the survey in context with its surroundings.

Although O.S. Coordinates are shown on this plan the grid is to be treated as arbitrary.

No scale factor has been applied to the survey therefore the coordinates shown are not true O.S. Coordinates.

Please refer to Survey Station Coordinate Table above to enable correct establishment of the onsite grid used.

Comments:
This plan should only be used for its original purpose. All dimensions should be checked on site prior to design and construction. Drainage information (where applicable) has been visually inspected from the surface and therefore should be treated as approximate only.

Notes:

KEY

- Type A — Positioned along existing fence line or directly behind existing boundary hedging
- Type B — Positioned 1.5m from boundary with neighbours property
- Type C — Positioned behind existing hedging/trees and roadside ditch
- Type D — Positioned to provide a 3m wide track down to and around Griffins Hole
- Type E — Positioned around gardens for Potters Bar Lodge and beyond RMU electric enclosures for access purposes by National Grid
