Dear Sir or Madam

Planning Application Reference: 6/2017/1079/FULL
Proposed development at: 37 Lambs Close, Cuffley, Potters
Bar, Hertfordshire EN6 4HD
The erection of x3 two-bedroom flats and provision of x3 car parking
spaces

I am writing to object to planning application 6/2017/1079/FULL on the ground of insufficient off-street car parking spaces.

There are already not enough off-street or on-street car parking spaces for residents of the existing four blocks of flats. Planning application 6/2017/1079/FULL proposes only one off-street car parking space per two bedroom flat. This will inevitably cause overspill car parking along Lambs Close, exacerbating the aforementioned car parking problem.

For the above reason I ask you to REFUSE planning application 6/2017/1079/FULL.

Yours faithfully
