Proposal

Erection of temporary secure vehicular storage area with associated lighting, CCTV and security fencing

Decision

Notice is given under article 18 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

Proposal for erection of a temporary secure vehicular storage area with associated lighting, CCTV and security fencing.

The proposal is for a temporary hardstanding for vehicle storage on plot 5610 on the Hatfield Business Park. Access to the site is from a private access road from Gypsy Moth Avenue.

The site is bounded by Gypsy Moth Avenue to the east and Hatfield Road to the north. Illumination is within the site boundary and is unlikely to have any impact on road user intervisibility. The highway authority therefore presents no objection to the proposal.
