**Proposal**

Installation of 3x digital freestanding signs and 1x 15" Digital Booth Screen

**Decision**

Notice is given under article 18 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

Hertfordshire County Council as Highway Authority considers the proposal would not have a severe residual impact on the safety and operation of the adjoining highways and would not wish to restrict the grant of planning permission.

COMMENTS The proposals are for the Installation of 3x digital freestanding signs and 1x 15" Digital Booth Screen. Drawing p19-062-0423 15c demonstrates all the signage is within the curtilage of the site and is of acceptable dimensions and design whereby it is considered unlikely that the additional signage would have any impact on highway capacity or safety. Therefore, the Highway Authority present no objections.
