Some examples of Plant Items:

Valve		Depth of Cover		Syphon		Diameter Change		Material Change	
-------	--	----------------	--	--------	--	-----------------	--	-----------------	--

This plan shows only those pipes owned by BG Transco plc in its role as a Licensed Public Gas Transporter (PGT). Gas pipes owned by other PGTs and also privately owned may be present in this area. Information with regard to such pipes should be obtained from the owners. The information shown on this plan is given without obligation, or warranty, the accuracy thereof cannot be guaranteed. Service pipes, valves, syphons, stub connections, etc., are not shown but their presence should be anticipated. No liability of any kind whatsoever is accepted by BG Transco plc, its agents or servants for any error or omission. Safe digging practices, in accordance with HS(G)47, must be used to verify and establish the actual position of mains, pipes, services and other apparatus on site before any mechanical plant is used. It is your responsibility to ensure that this information is provided to all persons (either direct labour or contractors) working for you on or near gas apparatus. The information included on this plan should not be referred to beyond a period of 28 days from the date of issue.
