.

Thanks Antoine.

Happy with the drawing now.

Just for interest I've attached a photo of the original signage – I wanted the new signage to be as close as possible to this. Hopefully it will be!

Maria

.

Good afternoon Antoine

Please see the attached signage proposals plan which has been amended so that size of each sign on the hotel now reads in line with the Ascot brochure for approval. I trust this gives everything now to allow you to issue the decisions on the applications.

Kind regards

Jamie

Hi Antoine

Apologies for the delay I have been out of the office the past week. Please now find attached a revised 'External Signage Proposals' plan for approval produced by the architects to bring the visualisation of the hotel in line with the elevation drawings and agreed signage design. This is in line with option 1 below which is considered to be the most convenient. I trust this is sufficient to now allow you to approve the relevant full and listed building applications.

Kind regards

Jamie

Hello Jamie,

Maria Kitts just emailed me saying that The 'visual representation' of the hotel on drawing no. COMET-STL-XX-00-DR-A-XXXX-20036 (Rev. C214) is no longer accurate in terms of the font or letter spacing, although the elevation drawings are fine.

I understand that there are two options for us to be able to approved the plans:

1. It will be either that the visual representation drawing "no. COMET-STL-XX-00-DR-A-XXXX-20036 (Rev. C214)" reflects the amendment and in that case we can approve this plan only because I understand that it gathers all plans.
2. Otherwise we can approve every pages of the brochure as 'drawing'. However, to do so, we would need a scale bar and a drawing number for each page

I hope that this help, otherwise please do not hesitate to contact me.

Best regards

Antoine
