Dear Planners

Apologies for this late comment. If you scroll down to image 8 at this link

<https://www.northmymshistory.uk/2018/04/north-mymms-from-above-1960s.html>

It is difficult to discern extensive evidence of a golf course in the 1961 photograph. Possibly the one referred to the 30's was obsolete during the war and then perhaps obliterated?

Kind regards
