Subject: Re: COLESDALE FARM APPLICATION 6/2019/0882/OUTLINE
Date: 15 May 2019 16:54:22

We wish to object to the above application on the following grounds:

This area is an important 'green space' and visual amenity which characterises the approach to Northaw and Cuffley;

This proposed 'island development' would begin the destruction of an essential area of green belt separating the villages of Northaw and Cuffley, and is contrary to national planning policy;

The UK and the world face food shortage and climate disaster and we must retain and respect our farming land and environment which I believe this proposal fails to do;

The nearest 'unrastructure' is in Cuffley centre which most would travel by road to visit from this site, adding to congestion and environmental degradation; those few walking face a perilous journey on a busy road with fast traffic.

, 15 Burleigh Way, Cuffley.
