Dear Sirs,

Planning application: Colesdale Farm Ref. 6/2019/0882/outline.

We object to this planning application because:

1. The roads around this area are already very busy especially at rush hour times, morning and evening.
2. There are no plans to build anymore shops or schools
3. The doctors surgeries are full to capacity and cannot take any more patients.
4. The green belt must be preserved for future generations.

Your Faithfully
