**Application type**

Prior Approval

**Proposal**

Prior approval for the installation of 15.0m phase 8 monopole and associated ancillary works

**Recommendation**

Notice is given under article 22 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 that Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

**Highways comments:**

The proposal involves the installation of 15.0m phase 8 monopole and associated ancillary works.

The siting of the mast and cabinets are proposed on the grass verge will maintain the usable space on the nearby pavement and will therefore not impede pedestrian flow and will also not impede on the safety of passing motorists.

**Recommendation:**

No objections

**Signed**

Senober Khan
