Application type

Approval of Details

Proposal

Submission of details pursuant to condition 13 (Additional plans with detailed engineering designs and construction of the highway improvement works) on planning permission S6/2015/1342/PP

Recommendation

OTHER

COMMENTS: This discharge of condition relates to upgrade of the two bus stops along Northaw Road East, and a crossing point between them. The condition requires submission and approval of detailed engineering drawings (i.e. approved s278 plans). For this planning application, the applicant has submitted s278 plans which have not yet received Technical Approval. Once the latest s278 plans receive Technical Approval and are submitted as part of this discharge of condition application, the first part of the condition can be discharged. As the works are not in place on the ground, it is premature to discharge the second part of the condition.

Signed

Matthew Armstrong
