Objection to :Planning
Application 6/2016/1068/FULL
Applicant name:Mr Andrew
Barham
Address of development: Barham
Court, 80a, station Road,
Cuffley, Herts EN6 4HY
I recently purchased a
property at Flat 1 Barham
Court, i understand that
Rialto Homes Limited have now
put in for planning permission
for a change of use to A3 for
the commercial units that
currently has A1, A2, use
permission. i would like to
object to this change.
My property is a ground floor
property and when i purchased
the flat i was unaware that a
fast food/restaurant would be
on my doorstep. As a pensioner
that spends a large amount of
time at home i am concerned
what problems this will bring
to my home, additional
parking, noise, smell and pest
problems caused by food waste
and rubbish.
Please confirm receipt to the
email above.
