Comments	<input type="text" value="I have two major concerns, firstly this is precious green belt land that should in my opinion, never be built on. My second concern is that the infrastructure here in Northaw could not cope with such a development. The roads would become unbearable. Getting to and from work would be an arduous undertaking. The disruption to existing residents would be without doubt, extreme. Northaw would be a place to avoid rather than the picturesque place that is a pleasure to drive through. There are few places locally like Northaw and this development would be the first step to its demise. I urge you to refute this consent."/>
