<b>Comments</b>	<input type="text" value="I fully support this application for a variety of reasons. To name a few: - The use proposed enhance the beauty of our County/make it known to a world audience - Supports good causes such as The Teenage Cancer Trust - Supports the work of young artists - Brings revenue into the community &amp; further It is a shame I have to witness and read scurrilous comments from the writer of an email marked as 59 Kentish Ln. Just so that the originator of such idiocies is aware of it...the property at 51 Kentish Ln was bought as a residential home and it was &amp; never will be the intention of transforming it into a Film Studio. If the originator of such statement thinks that THE DAILY MAIL certifies the use of a properties he/she better think again. Finally for those who oppose (mainly the neighbours and a couple of more), I respect your views but please for the respect of all intelligent people taking time to address this issue, underpin your views with facts if you wish to be constructive."/>
