As I have objected before to this planning application I do so yet again for the same reasons.

To save time I will not repeat all of my objections as they are a matter of record but will repeat the most telling points.

Firstly Wells Farm is in the Green Belt and there are no special circumstances which would support the application.

Secondly there is huge local objection to this application from those wishing to protect the greenbelt and the DNC committee Members should take particular note of this and the fact that the strong arguments against have been ignored by the Council or not dealt with in any detail.
