

Notes:

do not scale.
detailed drawings and larger scale drawings take precedence. Figure dimensions only are to be taken from this drawing.

dimensions:

All building and site dimensions, levels and sewer invert levels at connection points are to be checked and verified on site by the contractor before the commencement of work. All dimensions are to be confirmed to the purchaser prior to making or making up the detail of work and any discrepancy, omission or error is to be reported to the Architect immediately for verification.

specification:

The Contractor is to comply with current Building Legislation, British Standard Specifications, Building Regulations etc. Whether or not specifically stated on this drawing. This drawing must be checked against and read in conjunction with any structural or other relevant specialist and design documentation provided.
