24th October 2016

Dear Sir/Madam,

Re: Application for Planning Permission.

Proposed development: Addition of use A3 to the commercial unit Barham Court,
Cuffley, EN6 4HY

Organisation name:- Railto Homes Ltd

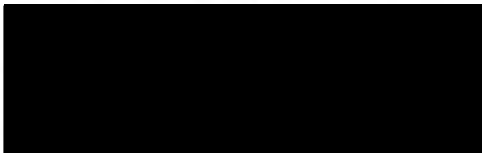

Applicant name:- Mr. Anthony Barham.

Please do not let this application go through because the noise from a restaurant late at night from people leaving, cars starting up, taxis coming and going, would be highly unacceptable. Also the smell of cooking for residents living above would be offensive.

When properties were offered for sale prospective buyers were lead to believe verbally that this commercial unit would be a small supermarket or similar, not a late night restaurant.

This notice did not arrive to me until the 19th October.

Yours hopefully,

Sharon Beschizza
