Dear Sirs,

Planning Application 6/2017/0489/MAJ

I wish to object to the application for a 2 metre fence to be erected.

I cannot see any good reason for this.

The only animals ever seen in this field are horses and sheep which do not need a high fence to contain them.

This area has been designated an area of outstanding natural beauty and a fence of this height would impact on the views and as a resident I would feel as if I was being caged in.

As for fly tipping, having lived here for 45 years I am not aware that during this time any fly tipping has been reported on the Ridgeway.

I would ask the council to ~~re-consider~~ this application.

REJECT

Yours sincerely,

Mrs. P. Judd
