

32 Fore Street

Hatfield

Herts.

ASL9 5AH

21<sup>st</sup> November 2016

#### Heritage Statement

The house is located on the North Eastern side of Fore Street in historic Old Hatfield and is a Grade 11 listed building. It is a three bed roomed terraced house. The proposed work (repair of pointing to front of house) will have no impact on the historical or character features of the property – it will, in fact, look exactly the same as it is currently except that the decaying mortar will be replaced with appropriate lime-based mortar (as in the original).

There has been no involvement with the community as this is a relatively minor repair which does not alter the look of the house in any way and does not affect access.
