TOWN AND COUNTRY PLANNING ACT 1990
(as amended by the Planning and Compensation Act 1991)

ENFORCEMENT NOTICE (Material Change of Use)

ISSUED BY: Welwyn Hatfield Borough Council ("the Council")

1. **THIS IS A FORMAL NOTICE** which is issued by the Council being the Local Planning Authority for the purposes of Section 172 of the above Act, because it appears to them that there has been a breach of planning control, under section 171A(1)(a) of the above Act, at the land described below. They consider that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations. The Annex at the end of the notice and the enclosures to which it refers contain important additional information.

2. **THE LAND TO WHICH THIS NOTICE RELATES**

Land situated at and known as Park Farm, Northaw Road West, Northaw, Hertfordshire, EN6 4NT as outlined in red on the attached plan (hereinafter called "the Land")

3. **THE MATTERS WHICH APPEAR TO CONSTITUTE THE BREACH OF PLANNING CONTROL**

Without planning permission the unauthorised material change of use from an agricultural and equine use into a residential use of the land and the residential use of the wooden clad building and the extension of this building within the area outlined in blue.

4. **REASONS WHY THE LOCAL PLANNING AUTHORITY CONSIDER IT EXPEDIENT TO ISSUE THIS NOTICE & ALL POLICIES & PROPOSALS IN LOCAL PLANNING AUTHORITY'S DEVELOPMENT PLAN WHICH ARE RELEVANT TO THE DECISION TO ISSUE THIS NOTICE**

1. It appears to the Council that the above breach of planning control relating to the change of use of the land has occurred within the last ten (10) years.
2. It appears to the Council that the above breach of planning control relating to the change of use of the building has occurred within the last four (4) years.
3. It appears to the Council that, in any event, the above breaches of planning control do not benefit from the time limits contained within section 171B of the Town and Country Planning Act 1990 (as amended) given the false statements made to the Council.
4. The Council does not consider that planning permission should be given, because planning conditions could not overcome these objections to the development.

Overall it is considered that the unauthorised development is contrary to the provisions of the development plan as detailed below:-

1. The site lies within the Green Belt as defined in the Welwyn Hatfield District Plan 2005 wherein there is a presumption against inappropriate development. Accordingly the development is unsustainable and contrary to the National Planning Policy Framework, policies GBSP2, D1, D2, SD1 of the adopted Welwyn Hatfield District Plan 2005 and Welwyn Hatfield District Plan Supplementary Design Guidance 2005 (Statement of Council Policy).
2. The design of the building as a dwellinghouse fails to meet high quality design standards or to respect the character and context of the area wherein it lies. Accordingly the development is contrary to policies D1 and D2 of the Welwyn Hatfield District Plan 2005 and the National Planning Policy Framework, Section 7.
3. The development harms the visual amenity of the area and fails to conserve, maintain or enhance the local landscape character of the area contrary to policies RA10 of the Welwyn Hatfield District Plan 2005. Moreover, the re-use of this rural building in these circumstances, is not compliant with the requirements of policy RA17.

4A. HUMAN RIGHTS ACT 1998

The Local Planning Authority has considered the implications of the Human Rights Act 1998 ("the Act") regarding the unauthorised development. The following have been considered as relevant under the Act: -

Article 8 ECHR - the right to respect for private and family life, home and personal correspondence.

Article 1 of the First Protocol to the Convention – the right to protection of property, including peaceful enjoyment of possessions

The Local Planning Authority considers both Article 8 of the Convention and Article 1 of the First Protocol can be interfered with where there is a pressing need to consider the general interest and the rights and freedoms of others and it is proportionate to do so. In planning terms, where development infringes the rights and freedoms of others then the Local Planning Authority needs to consider if the needs of the community are greater than the needs of the individual in question.

In this case it is considered that this development results in unacceptable harm to the character of the surrounding area and context of the Green Belt and local landscape area. In these circumstances the need to remove the unacceptable development in the interests of the community are greater than the needs of the individual.

4B EQUALITY ACT 2010

The Equality Act 2010, which came into effect on 1st October 2010, includes a new public sector Equality Duty, replacing the separate public sector equality duties relating to race, disability and sex, and also covering age, sexual orientation, religion or belief, pregnancy and maternity, and gender reassignment. Part 11, Section 149 provides the following 'Public sector equality duty' on authorities:

"(1) – A public authority must, in the exercise of its functions, have due regard to the need to:

(a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;

(b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;

(c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it."

It is therefore necessary for the Local Planning Authority, in consideration of this notice, as with consideration of any other proposal, to ensure that the above requirements have been met. There are no equality issues arising from the issue of this notice.
