| Comments | <input type="text" value="Objection to building on the Greenbelt land and spoiling the openness of our countryside. The original application I think was to help pay for the refurbishment of the main house. This is now going into different territory. The dwellings now wanted to the left looking from Judges Hill will definitely spoil the openness of the countryside and will be very prominent on the ridge. I would object to anymore building on this land above and beyond what the council has already approved. The pond mentioned is already proving an eyesore but is not on the main drawings."/> |
