Comments	<input type="text" value="The golf club is a very important local asset. We have an active junior, ladies and gentlemen sections. The restaurant is often used for local events eg weddings & parties etc. We are urgently in need of an upgrade both for our facilities and course. If this is not done the future is bleak. We must keep up with other nearby clubs who have all been able to modernise by selling off assets. If we can achieve this then we will be around for another 100 odd years. PS you don't have to play golf to be a member. Plus membership is probably cheaper than you think."/>
