Comments	<input type="text" value="I fully support this application. Brookmans Park Golf Club is a local jewel but after 100 odd years it desperately needs refurbishing to be on a level playing field with other clubs. The members alone have no way of coming up with the substantial sums required. Please also remember our club is open to all and we have an active junior section which we would like to expand with better facilities. Building a few houses on our paddock will have little to no impact on the village but will allow the club to continue for another 100 years."/>
