<b>Comments</b>	<input type="text" value="I support this application but with one important reservation. The plans submitted show insufficient parking. There will be at least 28 cars on the site. Golf Club road is very narrow and it is inevitable that vehicles will park along it, causing dangerous narrowing of the available road space, which in turn will make the use of the road for pedestrians extremely dangerous. It should be a requirement of any consent that the whole of Golf Club Road be made unavailable for any parking between Brookmans Avenue and the entrance to the Golf Club."/>
