Comments	<input type="text" value="I have been a member of Brookmans Park Golf Club for over 40 years and lived at 97 Brookmans Avenue for over 25 years (which backs onto this patch of land) so this is an area that I know very well and am very keen to see put to good use as it has lain empty for a very long time now (at least two decades I would guess and possibly even longer). The area is secluded and Golf Club Road does not get a high level of traffic so I would expect there to be minimal impact on the village in terms of aspect and on its amenities. The design would also seem to be in keeping with the surrounding properties."/>
