<b>Type of Comment</b>	Support
<b>Type</b>	neighbour
<b>Comments</b>	<p>As not only a long standing resident of Brookmans Park and for the last 6 years a member of Brookmans Park Golf Club - I am fully supportive of any improvements to our local community- and to continue the life span of a massive part of BP life. The golf club is a part of this village history and its growth over the last 50 years plus. Sadly the club is in a need of an injection of funds for it to remain an attraction and a life line to over 400 local members. The sale of this pasture which could be put to a good use attracting more residents to this community and live in a prime spot with well planned out development. Without this planning application being granted I can not see the future of the golf club and of course the Tennis Club which is all part of the Golf clubs land will not see out the next 20/25 years. This building of 14 new residential properties also helps towards Hertfordshire's commitment to new dwellings without much impact of the treasured green belt</p>
