Comments	<p>I am writing to give full support to the above planning application. The proposal would bring an unused site into positive use, which would greatly benefit the area. Brookmans Park Golf club is a hugely important amenity for the local area. It is used by hundreds of locals, including many young adults and juniors. And by allowing development of this area it allows this historical club the funds to carry out some desperately needed maintenance and future proofing. So that many more generations are able to enjoy this great club.</p>
