<b>Comments</b>	<p>I am in full support of Brookmans Park GC being able to build a few houses on the paddock area as any extra income gained could only help the golf club improve the practice facilities and clubhouse that they have always talked about. They can update the pro shop which is just not appealing to visit. Updating the clubhouse too, making it a more attractive place to invite guests to and bring in new members to the club is much needed. I personally think it is a good thing making use of a field that just sits there doing nothing and can provide a homes for a few families in a lovely part of Hertfordshire.</p>
