Comments	<p>I believe that a successful application will benefit the golf club in a very significant way. As things presently stand, if the club cannot generate capital from the proposed building plan, in not many years the club will cease to exist. Furthermore, if the club fails the local community will lose a significant amenity. I firmly believe that the planned development will not adversely affect the adjacent roads, as the additional housing is not extensive and therefore the increase in traffic will be minimal. If Brookmans Park Golf Club is to flourish and prosper within the area of Welwyn and Hatfield it needs the support of this approved planning application. A defunct Golf Club will not be of benefit to anyone.</p>
