5th September 2023

Dear Ms Moore,

Application Ref 6/2023/1221/D Outline
Brookmans Park Golf Club Road Development

Thank you for your letter of
29th August re the above.

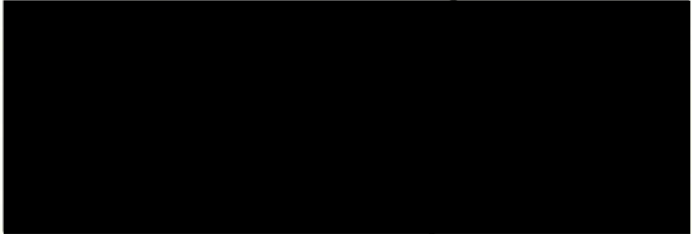

I have reviewed this application
and wish to comment as follows.

The layout has been sensitively
designed within the well enclosed
site. Specific consideration and
care has been taken to
preserve the established woodland
boundary as well as the surrounding
countryside and nearby properties.

The applicant's ability to
manage the natural countryside
and landscape adjacent to
the proposed site is so important
in preserving its picturesque
nature.

I fully support all aspects of this application and if approved it will also enable Brookmans Park Golf Club with all its facilities to become an ever increasing focal point in the life of our community as a whole.

I should be grateful if you would pass this letter to Mrs Ashley Ransome who is the Case Officer, thank you
Yours sincerely

P.s. I have lived at this address for 86 years, love all the village life and enjoyed being a member of the Golf Club for 72 years.
