Comments	<p>The piece of land proposed does not increase urban sprawl as its in the middle of Brookmans Park and will not encroach on the Brookmans Park boundry to any other town. The golf club has opened its doors to non members for food and drinks and gives a great alternative to the usual surrounding pubs and resturants The club wishes to use the proceeds to enhance the venue and attract more social events such as weddings etc, traffic from these will be outside school hours of course. The plans do not destroy any trees and in fact the club has planted 100s of new trees in recent years on the course. A functions venue and quality restaurant / Bar for residents of the village to use would be a fantastic enhancement.</p>
