Comments	<p>I support this application. There is an urgent need for housing in this area this site is ideal , it has been dormant for a number of years. This development will add to the natural landscape . The layout of the development fits well into preserving the woodland boundary. I support with interest the amount of work that has gone in by the golf club to make this a successful application. The golf club is a key local amenity and this will enhance the facilities for the community and provide jobs . I hope this scheme will meet with favourable consideration. Yours Sincerely [REDACTED] 59 Warrengate Road North Mymms AL97TT</p>
