Comments	Brookmans Park Golf Club and the Tennis Club are an asset to the local community. Unfortunately after a 100 years it is in need of major renovations to make it more environmentally friendly, energy efficient and allow it to offer facilities fit for a 21st century golf club. Developing the paddock will allow these renovations to be carried out, hopefully allowing the club to exist for a further 100 yrs to the benefit of all local residents. I believe the outline plans for the paddock to be sympathetic to the local area.
