Comments	<p>I am in total support for the proposed works at Brookmans Park Golf Club. The renovation and refurbishment plans will replace the unsightly dilapidated trolley store. Replace the dilapidated Pro Shop providing a better retail facility and greater small business opportunities. The extension and renovation of the club hospitality areas will provide greater revenue opportunities supporting the in the future of the club. The works will include the introduction of a new golf building will provide high-tech practice facilities further promoting the club but also health and fitness through better training facilities opening up the opportunities to both young and established golfers.</p>
