<b>Case Officer</b>	Ms Ashley Ransome
<b>Organisation</b>	
<b>Type of Comment</b>	Support
<b>Type</b>	neighbour
<b>Comments</b>	<p>The development of this area will support the local community in many ways It will provide 14 dwellings that are in the emerging local Welwyn and Hatfield plan that has been in the plan for some years The funds generated from the development will allow the renovation of the golf club's clubhouse to provide a function facility thtat will benefit the local community as well as the golf club and tennis club It will also enhance and protect a spectacular area of greenbelt and a landscape laid out by Humphrey Repton, one of England's greatest landscape designers. To enable the club to continue to develop its environmental programme which has already seen it awarded the Queens Green Canopy Award for tree planting and a recent project of bee keeping to produce local honey at the club. It will also allow the club to provide a world class practice facility that will benefit the local community and beyond bringing new business to the area</p>
