Dear Ms Ransome

I write in support of the above referenced planning application.

I am impressed by the work that has gone into the application and site layout which appears to fit seamlessly into the well enclosed site. It preserves a strong woodland boundary. It is sympathetic to the surrounding countryside and nearby properties.

The provision of additional dwellings will no doubt help the current housing shortage and the mixture of type and sizes appear to provide for a wide range of needs.

I support the principles of the development described in the application to invest in securing the future of the Golf Club, a key local amenity.

This is also helpful in maintaining and creating local jobs.

I hope that this scheme will meet with your favourable consideration.

Yours sincerely
