Proposal	Outline permission for the erection of 14 dwellings, with all matters reserved except for access
Case Officer	Ms Ashley Ransome
Organisation	
Type of Comment	Support
Type	neighbour
Comments	<p>The Plan is not a new plan and will enable the golf club to fund much needed refurbishment of its existing clubhouse. With the refurbishment it will make the venue a more attractive proposition for its members and also for the wider community as it will be able to support and encourage that community to use its facilities and put on additional events to suit that community. The Club has also been working hard with the environment in mind planting numerous new trees having been awarded Queens Green Canopy Award as well as funding a recent Bee Keeping project enabling the sale of local honey. Funds are greatly needed to be able to continue with these and more projects that will protect the environment and work on behalf of the local community, from where many members come from, for many years to come!</p>
