<b>Proposal</b>	Outline permission for the erection of 14 dwellings, with all matters reserved except for access
<b>Case Officer</b>	Ms Ashley Ransome
<b>Organisation</b>	
<b>Type of Comment</b>	Support
<b>Type</b>	neighbour
<b>Comments</b>	<p>I fully support the planning application and live 5 minutes walk from the proposed development. The golf club has been a very important part of the local community over the years. I have been very encouraged by the sight of young people starting to take up the game during the recent school holidays due to club management initiatives. We must invest in our younger generations future and encourage them to play sports in general. Golf is a great sport that encourages human interaction and in these days of computer tablets etc is a great way of expanding young peoples minds. Without the investment that "project resurgence" needs i fear for the future of the club. The development of the land in question will enable the managment committee of the golf club to bring the clubhouse and facilities up to date, which will in turn attract young people to take up the game. This support letter is not for me but for future generations that should benefit from having a local golf club to be proud of.</p>
