Dear Sirs

Application Reference: 6/2023/1221/OUTLINE  
Proposed Development at: Brookmans Park Golf Club Road, Brookmans Park,  
Herts, AL9 7AT

I am writing to express my objection to the planning permission for the above development for the following reasons.

The proposed site is still Green Belt Land and should be left so.

To build more houses with access to the Golf Club Road would cause serious problems and possibly accidents as Chancellors School has an entrance on the road and it is difficult to get up and down the road at certain times during the day. Extra vehicles will make the situation worse.

The Golf Club Road is extremely narrow and was never built to take the traffic which uses it now. We have already had problems with building taking place when larger vehicles (ie Bin Collection Lorries and Delivery Vans) have been unable to access it.

With the erection of any amount of dwellings on this site it could cause problems with access for larger vehicles such as Fire Engines and Ambulances.

Your Faithfully
