Comments	<p>I am a local resident of nearly 40 years and a [REDACTED] I would like to express my whole-hearted support for this application for the following reasons; 1) We are in the middle of a housing crisis and to make matters worse WHDC have failed to bring forward a plan to deal with the acute shortage in the Borough. The onus should be Council must grasp every opportunity to bring forward supply of new housing. 2) The site of this application is Green Belt. However it makes a very limited contribution to Green Belt objectives. Its loss to housing will do nothing to affect the coalescence of the village with any other settlement which is the main purpose of Green Belt policy. The site has a very limited sense of openness as built development is present from any direction. 3) Brookmans Park, built as a private garden village a hundred years ago, has a paucity of community facilities this proposal will help fund a scheme of improvement of a community asset.</p>
