Comments	I would like to add my support for this development as it will bring in much needed new housing. It will bring much needed extra income to the council which I am a part of. It will increase the housing stock in Brookman's Park and free up other areas with new housing stock. It will also allow the Brookman's Club Golf Club to expand the golf course which will mean more jobs for local people as well as tradesmen. It will allow local residents to visit the club and participate in the improved facilities for themselves and their children will use better facilities which give them fresh air and healthy opportunity and outlook as well as golf members who are mostly residents of the area.
