Comments	<input type="text" value="I am a member of Brookmans Park Golf Club. Golf Clubs are deemed by some to be a waste of space, but I believe they provide vital green assets. BPGC takes pains to plant trees and keep the course in good condition. Golf Clubs are not flourishing locally; Potters Bar Club has closed permanently. BPGC lacks capital to keep its facilities up to date. We need more members, but it is hard to recruit with our present rather dated club house. This planning application if agreed would provide a significant number of new houses. It would use land which has very little amenity value. It would provide valuable capital for the Club, allowing vital improvements. I do hope that it is successful."/>
