Comments	<p>With this approval to construct 14 houses on a small field on GreenBelt land , this will take to 20 houses (where previously there was one) on the northern and eastern boundaries of my property . This would be more palatable if Conservative local councillors and Conservative planning had responded to the need to build houses in all parts of Brookmans Park in a more even handed way ; in the 26 years that I have lived here the village boundaries have barely changed . Local politicians in my view have not responded properly to the need to build more houses. But they will be happy to approve 14 on GreenBelt and pay lip service to the problem while causing huge problems of density on Golf Club Road . Forgive me if I believe our local politicians are simply incompetent.</p>
