| Comments | <input type="text" value="I moved here 2 years ago as it is a beautiful calm place to live with lovely landscapes . I look out my window at quite often see deer running around which is such a joy . With the plans going ahead it would totally ruin my outlook and I probably would not of bought this property knowing this would be going on . The poor wildlife will have their natural environment taken away it's just not fair. On top of this the noise has been horrendous, I can work from home and it's been causing lots of headaches and stress"/> |
