Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="The reason for objection is the property we just bought on Firs Wood, was bought because of the land space all residents are sharing. All residents of firs Wood are in agreement of paying a service charge to maintain the land which the proposed wants to built on which is a greenbelt area. The fact the other party wants to build on a green belt area, which if approved, will cause the reoccurring problem that the next green belt land could be in trouble of further developments in the future which defeats the purpose of green belt protection. The other party reason for building a retirement village is not fit for purpose based on the location of the land which there is no public transport walking distance, and no local shops."/>
