Application type

Full application

Proposal

CONSTRUCTION OF NEW GRP KIOSK TO HOUSE NEW CHEMICAL DOSING EQUIPMENT TO INCLUDE CONSTRUCTION OF NEW CHEMICAL DELIVERY AREA AND CROSS SITE DUCTING

Decision

Notice is given under article 10 of the Town and Country Planning (General Development Procedure) Order 1995 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

This application is for the construction of a new kiosk to house new chemical dosing equipment. The applicant has provided additional information regarding deliveries of chemicals which will be about once a month. These deliveries will be part of the existing deliveries to site and therefore the proposal should not result in additional hgv movements to the site. Hertfordshire County Council as Highway Authority considers the proposal would not have an unreasonable impact on the safety and operation of the adjoining highways.

Lindsey Lucas
